FOREWORD

This booklet contains the Supplementary Regulations for all National A and National B events at Shelsley Walsh in 2009.

ENTRY PROCEDURE

All entries will be held in abeyance for consideration by the Selection Committee immediately after the closing date, and notification of acceptance or refusal will be posted within seven days of the closing date for each event. Competitors requiring confirmation of receipt of entries should include a stamped addressed envelope with their entry form.

We are no longer requesting you to return self-adhesive address labels for Final Instructions and Results, as the computer will print these in numerical order and eliminate the sorting operation.

Entry fees will be banked as received. Entries cancelled 12 days or more prior to the meeting will be refunded in full less a £10.00 administration charge. Entries cancelled between 5 and 11 days prior to the meeting will be refunded in full less a £25.00 administration charge. Entries cancelled less than 5 days prior to the meeting, or non starters, may be refunded MSA per capita charges only, upon application to the Secretary of the Meeting.

Entries accompanied by post-dated cheques will not be considered.

In line with MSA Regulations an entry may be made by facsimile or any other electronic means provided that it is received before the time laid down for the closing of entries, together with the entry fee, and a hard copy is simultaneously posted.

COMMENTARY SHEETS

I would be grateful if you could complete the Commentary Sheet and return it with your first entry. It may be worth your while to spend a few minutes completing a Commentary Sheet, for the following reasons:

- (i) if you have not been to Shelsley before, the additional information will be useful to the Selection Committee
- (ii) you are far more likely to be mentioned by the Commentator, which may please your entrant or sponsor.

ENTRY FEES

Entry fees remain competitive with other Hill Climbs. A proportion of competitors' entry fees will be used to fund and upgrade equipment levels of Midland Hill Climb Rescue vehicles and provide funding for the Midland Marshals' Championship initiative.

CAMPING

Please note that Camping should in future be booked on the Entry Form and the fee included when paying the entry fee. **N.B.** Tents will be permitted this year but must be erected in the designated areas. Camping Permits must be displayed in the left front corner of motorhome windscreens, or attached to the left front of tents and caravans.

TRADE SPONSORS

Holders of an MSA Entrant's Licence will be entitled to have their name stated in the programme and results in accordance with A.49.

2009 MCL MOTORHOMES MSA BRITISH HILL CLIMB CHAMPIONSHIP

(Permit Number CHS2009/001)

2009 FORMULA 1 FUEL HILL CLIMB LEADERS' CHAMPIONSHIP

(Permit Number CHS2009/002)

These Championships, administered by Speed Championships Ltd., will include rounds at Shelsley Walsh on 31st May and 16th August. It will again be possible for competitors to enter both Championships at a discounted fee.

Regulations for both these Championships, and for the Midland Championship, may be obtained from the co-ordinator, Mr. A.F. Fletcher, 5 Barrie Avenue, Offmore Farm, Kidderminster, Worcs, DY10 3QN (telephone 01562 754243).

Competitors in the above two Championships (other than the first ten in the final classification of the British Hill Climb Championship during the previous five years) are also eligible for:

Y GELLI BOOK AUCTIONS CHALLENGE TROPHY

(Permit Number CHS2009/003)

U.K. CHANGES MIDLAND HILL CLIMB CHAMPIONSHIP

(Permit Number CHS2009/004)

The Championship will be of nine rounds at the three Midland Hills of Shelsley Walsh, Loton Park and Prescott. The Shelsley Walsh meetings of 4th May, 31st May and 16th August will be rounds of the Championship and also of the Avon/BMTR Top Ten Challenge (Permit Number CHS2009/005).

VSCC SHELSLEY WALSH HILL CLIMB - 5th JULY

This event will be open to members of the VSCC. Regulations will be published separately and will be distributed jointly by MAC Office at Shelsley Walsh, Worcester WR6 6RP (telephone 01886 812211) and the VSCC Office at The Old Post Office, West Street, Chipping Norton, Oxon OX7 5EL (telephone 01608 64777).

MOTOR CYCLES

There will be classes for motorcycles, sidecars and three-wheelers ridden by Members of the National Hill Climb Association at the event on 18th July and 19th September.

ADVERTISING, HOSPITALITY SITES, ETC.

A leaflet giving details and costs of advertising at Shelsley Walsh through the media of Programmes, MAC News Magazine, Digital Displays and Banner Sites, together with costs of hiring Hospitality Sites and Trade Stand Sites, may be obtained from the Club Office.

All entries must be made on the official form obtained from the Club office or downloaded from the Club's website (www.shelsley-walsh.co.uk) and be accompanied by the appropriate fee.

Entries may also be made on line from the Club's website.

Entries made on behalf of a competitor who is under 18 years of age cannot be made on line and the form must be completed where indicated by a parent/legal guardian or guarantor.

Entry fees must be paid in Sterling. Entries close at 10 am on the dates shown above.

Entry forms may be used for either single or multiple entries

12. The Secretary of the Meeting, to whom all entries must be sent, is:

R. Thomas
Midland Automobile Club (Est. 1901) Ltd
Shelsley Walsh Hill Climb
Worcester WR6 6RP
Tel: 01886 812211 (office hours). Fax: 01886 812917
email: secretary@shelsley-walsh.co.uk

13. The maximum number of entries for each meeting is:

4th May	200 plus 20 reserves
31st May	200 plus 20 reserves
4th July	125 plus 10 reserves
18th July	105 plus 10 reserves plus 25 motorcycles
19th July	125 plus 10 reserves
16th August	200 plus 20 reserves
19th September	105 plus 10 reserves plus 25 motorcycles
20th September	125 plus 10 reserved

For a one-day meeting the minimum is 80 and for a two-day meeting the minimum is 140. The minimum for each class is 5. Should any of the above minimum figures not be reached, the Organisers have the right to cancel the meeting or to amalgamate classes.

All entries will be held in abeyance for consideration, and notification of acceptance or refusal will be posted within seven days of the appropriate closing date.

Entry fees may be refunded as indicated in the Entry Procedure section of the Foreword.

14. Other Officials will be notified to competitors in their final instructions, and published in the event programme. Any other changes will be notified on the meeting notice board.
15. Provisional results will be published as soon as possible following the end of the event.
16. Any Protest must be lodged in accordance with MSA Regulations.
17. Starting order will be as shown in the Programme. Cars will start singly. A green light indicates that the driver may start in his own time. The electronic timing apparatus is activated by the vehicle breaking a light beam. Competitors are reminded that a timing strut in accordance with MSA Yearbook is required. The finish line will be indicated by black and white chequered boards on either side of the Course.

18. **PRACTISE - 3rd MAY, 30th MAY, 15th AUGUST**

The first 30 competitors to sign on will be given priority for scrutineering. These 30 competitors should remain with their cars until scrutineered. If a car is unattended when the scrutineer arrives the priority status is lost. The first 30 competitors to book runs in the first two practice batches after being scrutineered will be given a ticket to book a third run. This must be taken before third runs are offered to competitors who practised in batch three or subsequent batches in sequence up until the final close of practice at 5.30 pm.

When queuing to sign on in the first 30, drivers must take their place in the queue in person; an unattended deck chair will not signify a driver's place in the queue.

PRACTISE - 4th JULY, 18th JULY, 19th JULY, 19th SEPTEMBER and 20th SEPTEMBER

Competitors will have the opportunity of two practise runs, and an opportunity to walk the course before the competitive runs.

19. Competitors will be identified by competition numbers as defined in accordance with MSA regulations, displayed on both sides of the car. A third set of numbers which can be smaller should be displayed on the front left of the car to assist the timekeepers in identifying cars approaching the start line. Numbers will not be provided by the organisers. When two drivers compete in the same car, two sets of suitable numbers must be provided by the entrant and changed as necessary. Cars will not be permitted to run with two sets of numbers displayed at the same time.
20. All other General Regulations of the MSA apply as written except for the following, which are modified:

A60 (I)	The final time for notifying a change of car at 1-day meetings will be 1.00 pm. The final time for notification at a 2-day meeting will be 9.00 am on the morning of the event.
I.68	Classes will be set out in Appendix I.
21. Cars running in roadgoing classes must be taxed and insured, and a copy of the MoT Certificate, if applicable, must be available at all times for inspection by the eligibility scrutineer. Tyres should comply with General Regulation C(e) List 1A, unless specifically allowed under participating Championship rules.
22. The use of slick tyres is prohibited in Class M. The type, size and tread of the tyre must remain the same throughout the meeting. Post 1945 cars must run on treaded tyres which may be road tyres complying with the Motor Vehicles (Construction and Use) regulations, or racing tyres as long as the latter have grooves in the tread pattern, which must be lateral and circumferential, and any 40mm diameter areas of the tyre must have grooves in at least two directions, which themselves must have a minimum width of 3mm.

23. **Reserves:** Entries which are accepted as reserved will be so indicated in Competitors' Final Instructions and on the provisional entry list, together with the order in which they may be brought in to replace non-starters from amongst the competitors listed in the printed programme. The number of reserves to run in the event will be notified at the conclusion of Practise. All reserves will be given Practise, and those who are not brought in to run in the event will be made a refund of the entry fee paid less £50.00.
24. **Trade Sponsors** (not holding an MSA Entrant's Licence) paying the additional fee of £12.00 per entry will be entitled to the inclusion of a sponsor's name of not more than six words in the programme and results.
25. **Noise:** All vehicles must meet silencing levels set out in Technical Regulation C(B)23 except period defined cars in groups A, B, C, D, E, F, G and H running in historic invitation classes that are allowed at the absolute discretion of the Clerk of the Course. Competitors are also requested to minimise revving of engines in the return road when descending the hill, and to refrain from running engines in the Paddock after the end of the meetings. Under no circumstances may engines be started in the paddock before 9.00 am (except road legal cars). The Environmental/Noise Scrutineer will be the judge of fact in noise related matters.
26. **Start Area:** The entry to the area is defined by the Pre-Start Line. Once this line is passed, a car will be deemed to be under starter's orders. Mechanics may only accompany cars as far as the Pre-Start Line, and may not enter the start area without the express permission of the Chief Start Area Marshal. The Environmental/Noise Scrutineer will be the judge of fact in noise matters. In the interests of safety, any cleaning of tyres must be done **below** the Pre-Start Line, and wheels may only be spun **above** the Pre-Start Line.
27. **Tyre Warming:** The use of any external device or power source to pre-heat the tyres of a competing car, whether the tyres are fitted to the car or not, is prohibited. This does not affect the right of a competitor to induce heat into the tyres by spinning the driven wheels within the area designated for the purpose between the Pre-Start and Start Lines, but forward motion must be maintained. If a driver stalls his engine, he will not be permitted to spin the wheels again until the car reaches the point at which the stall occurred.
28. **Start Procedure:** On arrival at the Start Line with the engine running, the rear wheels will be chocked, and the driver will be expected to commence his run immediately the red light changes to green. A car will be deemed to have started when the vehicle, by breaking the beam, starts the electronic timing apparatus.
- False Starts:** If a competitor makes an unsatisfactory start, and provided that neither of the rear wheel centres has crossed the Start Line, he may be permitted to re-start. If, however, the car stops due to mechanical failure and cannot be immediately re-started, it must be removed as directed by marshals and unless it can be returned to the Start Line within two minutes a re-start will not be permitted.
The timekeeper on duty at the start line will be the Judge of Fact in determining that a false start has been made, and a re-start allowed.
29. **Flag Signal:** Red Flag means stop as soon as practicable and await further instructions from Marshals.
30. **Return to Paddock:** After each Class or batch is completed, cars will return down the hill on the signal from the Finish Paddock Marshal. Under no circumstances will a car descending the Hill overtake or stop for any reason.

It is particularly important that cars do not stop in the first section of the Return Road between Triangle and the Church. This prevents following cars from coasting back to the Paddock and is the major cause of delay in Batch changeovers.

31. **Handicaps:** Handicaps will be assessed after practise for each event, based on a competitor's known performance or practise times, by the handicap committee. If any competitor improves on his handicap by more than 5% that time will be excluded from the meeting's results.
32. **Ties:** In the event of two competitors tying for an Award, the competitor with the lowest Aggregate will be the winner. If the result is still a tie, the Stewards of the Meeting shall decide on a suitable solution.
33. **Championships** will be run in accordance with the Regulations issued for the various individual Championships. Times recorded in the Special Championship Run Off will only count for the absolute Best Time of Day Awards, not for any other Class or definitive awards within the event. If any non-registered competitor has qualified for an absolute Best Time of Day Award at the end of the Class runs he will have the opportunity of becoming an additional runner in the Championship Class and will be integrated into the order of running.
34. **Trailers in Paddock. Trailers WILL NOT be allowed into the Paddock to load cars whilst the meeting is in progress.**
35. MSA General and Technical Regulations: All references are to the 2009 Edition.

Eligibility for Awards

All Special Awards other than Absolute B.T.D. Awards will be decided on Class Runs. A Competitor may win a special or absolute B.T.D. award and a class award, but may not win more than one special award.

May 31st and August 16th: The Aggregate awards (other than the J.H. Russell and Mark Colton Memorial Trophies) will be decided on Class Runs. To qualify for an Aggregate Award, the driver must compete in the same car at both Meetings. No competitor may win more than one Special Award and one Aggregate Award.

Period of Holding Awards

All Annual Trophies and Cups remain the property of the Club, and are held by the recipient for not more than eleven months. By entering for and competing in the competition, the recipient undertakes to return the Trophy on demand, to make himself responsible for its proper care and to make good any damage or loss sustained while the Trophy is in his possession. Class Awards remain the property of the recipient.

Shelsley Special Awards

The classification of vehicles eligible for these Awards shall be at the discretion of the eligibility Scrutineer, bearing in mind the spirit in which such vehicles have traditionally been constructed in the history of Shelsley Walsh. A completed Shelsley Special questionnaire signed by the Scrutineer must be lodged with the office before the event. Under present day conditions, emphasis is mainly laid upon originality and skill in design and construction of chassis and suspension. Cars which are replicas of one-off vehicles subsequently put into production for sale (in however small quantity) will not normally be eligible, but the original vehicle may remain eligible for the Awards.

Credit Points

Regular Competitors have the option to accumulate credit points during the season instead of receiving Class Awards, at the following rates:

1st in Class = 100 points 2nd = 75 points 3rd = 50 points

Points will be valued at 30 pence per point and may be exchanged for vouchers at the end of the season. Vouchers will be available for the purchase of goods from B.M.T.R., Merlin Motorsport, MAC Regalia or Entry Fees to MAC Events.

The Allocation of Annual Awards depends on information given on entry forms. Failure to give full information may result in an award being allocated to the wrong competitor. It is the competitor's responsibility to provide the information requested.
